ADDS

BY BOUNDLESS TECHNOLOGIES

ADDS 4000/260 LFC (color)
and ADDS/260 LF (monochrome)
Video Display Terminal

Compact "LittleFoot" logic unit

Dual Host / Dual Session

Use any VGA or LCD Monitor

- LFC supports color or monochrome
- LF supports monochrome only

B 9K ˙ ˙supports LCD displays in 126-column mode; no aliasing

Designed and manufactured in the USA

The ADDS 4000/260 LFC (color) and ADDS 400/260 LF (monochrome) text terminals provide a compact logic unit for use with any VGA display. They are an ideal solution for customers looking to use Wyse display terminals in legacy applications. A full emulation set includes Wyse 50/50+,WY-60, the DEC VT-100, VT-220, VT 320, TeleVideo 925, ADDS Viewpoint, PCTerm and SCO Console. The 4000/260 LFC (color) also supports Wyse 350 and WY 325.

These terminals offers additional serial and parallel communications ports to support printers, cash drawers, customer display poles, and more. An industry standard mini-DIN keyboard inter-face supports wedge-type input devices such as bar code scanners and magnetic stripe readers. The terminals support dual sessions in full or split screen.

The 4000/260 LFC (color) features 16 foreground and 16 background colors for critical data differentiation on the screen, and supports the simultaneous display of both color and visual attributes (blink, underline, reverse, etc.).

The Boundless "JIT" manufacturing facility in western NY allows rapid delivery of any terminal in any configuration. Boundless backs its ADDS 4000/260 LFC with a money-back guarantee and a three-year warranty.

Our focus on providing custom desktop solutions to our customers has made Boundless the client choice of every major server manufacturer for the last 30 years.

ADDS 4000/260 LF and LFC
Video Display Terminal

Display Features:
◇ Flicker-free
   refresh rate
◇ 26,44,or 49 lines with
   top and/or bottom
   status lines
◇ 80 or 126 columns*
◇ 10 pages of memory
◇ Variable-speed smooth
   scroll
◇ Double high, double
   wide characters
◇ Selectable screen saver
◇ Programable tab stops
◇ IBM PC character set
◇ Two pages of display,
   full or split sceen view
◇ Variable screen scroll
◇ **18 color palettes**
   (LFC only)

Desk Accessories:
◇ Calculator
◇ Calendar
◇ Clock
◇ ASCII Chart
◇ **Color Palette Selector** *(LFC only)*

* 132 columns no longer supported as of 8/1/2011

Communications:
◇ Full/half duplex
◇ Local block
◇ Monitor mode
◇ Serial Host Port (EIA)
   - RS-232C main host
   - DTE, DB 25 female or
     RJ-45 Female
   - up to 115.2k baud
◇ Serial Auxilary Port
   - RS-232 bi-directional
     serial port
   - DCE, RJ-25 female
   - Up to 38.4k baud
◇ Parallel Printer Port
   - IBM PC and Centronic
     compatable
   - Parallel Printer /
     Cash Drawer/Parallel
     Output Device
◇ Optional Ethernet
   - 10BaseT TCP/IP

Terminal Emulations:
◇ ADDS Viewpoint
◇ VT 100
◇ VT 220
◇ VT 320
◇ **Wyse 325** *(LFC only)*
◇ **Wyse 350** *(LFC only)*
◇ Wyse 50/50+
◇ Wyse 60
◇ TVI 925
◇ SCO Console
◇ PCTerm and AT386

Regulatory Agencies:
◇ UL
◇ TUV
◇ FCC-A
◇ CE Mark
◇ MRP-II
◇ DHHS
◇ VCCI

Power:
◇ 110-220 Vac, 50-60 hz
◇ .20-.50 amps

Keyboards

LF (monochrome) supports
PC-style key-boards
including PC 101/102-key
and Compact PC 101-key

LFC (color) supports both
PC-style and ANSI style
keyboards
